Teams are permitted to call up players from their affiliated team during the course of the season as permitted by GTHL Rules and Regulations.

The affiliate team's Head Coach must provide the opportunity to all his players that are capable to "play-up" and not the same one or two players.

The Head Coach requesting players must first consider giving his own players the extra ice time, provided the team has the minimum players required by the GTHL, before requesting players from the affiliate team.

The coach is permitted to request a "position" and not a specific player.

AFFILIATE TEAMS will be confirmed each year.

Read GTHL rules concerning call ups and import call ups and the number of games players can be called up too.

Signing Players/Commitments/Releases/Team(s) folding after the start of the season

Minor Atom to Midget Sr. – GTHL Rules and Regulations apply

During and following tryouts each team's Head Coach is responsible for offering positions on the team to players that have been assessed throughout the tryout period which the team's coaching staff feel can contribute to the overall success of the team.

The coaching staff must understand that when they offer a position to a player, they have made a commitment to the said player for the duration of the hockey season. The coaching staff are responsible for fulfilling this commitment. However, there could be a situation that would lead a Head Coach to request the President or General Manager to RELEASE him or her from such commitment to a player prior to November 15th.

RELEASES will be considered only by the General Manager or President under the following conditions:

1. A player who is a discipline problem.
2. A player who seriously disrupts the harmony of the team.
3. A player's parent who causes serious problems or disruptions to the team.
4. A player who has had promises made to him or his parents by the coaching staff and these promises have not been fulfilled.
5. A player who has been treated unfairly by one or more of the Team Officials of the team.
6. A player being released by the Organization.

The player and the player's parents must also be made aware that when they sign a Player Registration Certificate with a Hillcrest Canadiens team, they in turn are making a commitment to the Canadiens' team for the duration of the hockey season. The Organization, the coaching

staff, the parents, and the player all have responsibilities which must be met throughout the hockey season.

RELEASES are the sole RESPONSIBILITY of the President or General Manager. UNDER NO CIRCUMSTANCES DOES A TEAM OFFICIAL HAVE THE AUTHORITY TO AGREE TO A RELEASE OR TO RELEASE A PLAYER ON THEIR OWN ACCORD.

When a parent or player requests a RELEASE, the Head Coach must inform them that the request must be referred to the General Manager. The Head Coach must obtain the reason in writing as to why the RELEASE is being requested and this information should be forwarded to the General Manager. No money will be refunded with respect to either team or registration fees if the player/parent requests the release.

The GTHL recognizes the President and General Manager as the only Cub Officials with SIGNING AUTHORITY for the Organization. Should a Head Coach release the player without the consent of the President or General Manager, the Organization will levy consequences to the Head Coach and possibly other Team Officials of the offending team. In addition, the team will be responsible to reimburse the player any team fees and including any registration fees paid to the Organization.

If a Head Coach decides to release a player with the consent of the President or General Manager, the team will be responsible for refunding the team fees and Organization fees on a pro-rated basis. Any money that the player is to receive from the team must be forwarded with one week of the player's release.

Each team is responsible to carry the number of players assigned to it by the Organization, but at least fifteen (15) players as required by GTHL Rules and Regulations. Teams will be advised at the Coaches' meeting in April of each year prior to commencing the new season.

Player releases at the Club level are issued only up to and including November 15th of that season, with the approval of the General Manager or President providing that the team is at its minimum 15 player roster as per GTHL rules.

Players requesting a release after November 15th must contact the GTHL office.

Should Hillcrest fold a team after the start of the season, all players and Team Officials will remain part of the Club and will not be released until such time as all monies owing to the Club have been paid and all equipment belonging to the Club has been returned in good condition.

Sponsors/Sponsorships

Each team is responsible for obtaining sponsorships and used accordingly to the Sponsors directions.

All sponsor money belong to the teams that have acquired the sponsors, not the Organization.

Sponsorship money is not to be added to the team budget until the money is in the team bank account.

Summer & Non-Sanctioned Tournaments

The Organization will not approve and will not provide equipment to teams who wish to participate in any tournament in the months between May and the beginning of the regular season, with the exception of the Hillcrest Brian Steele Early Bird Tournament or other GTHL sanctioned Early Bird Tournaments.

Teams that participate in non-sanctioned (Hockey Canada/OHF Member Partner/GTHL) tournaments and exhibition games prior to the start of the regular season do so at their own risk and are not allowed to wear any Hillcrest uniform (i.e. jerseys, socks, helmets, pants/shells) for such tournaments and exhibition games.

Annual Dinner/Dance

Teams will not be permitted to participate in out of town tournaments during this weekend. Teams will be able to participate in local tournaments as long as the tournament organizers schedule games that will not conflict with this event.

Each team will be invoiced at the start of the season to cover the cost of the event for 18 individuals on each team.

The Annual Dinner Dance is mandatory for all teams of the Hillcrest Sports Club.

Annual "BRIAN STEELE MEMORIAL" Tournament

This tournament is held the week prior to the A & AA regular season commencing in September. The fees for the tournament will be added to the team statements.

Criminal Record Checks (Police Clearance)

In accordance with the GTHL Speak Out Policies and Procedures, all GTHL approved and rostered team officials must have a valid Police Clearance completed once every 3 years.

RESOLUTION COMMITTEE

This committee has been set up to resolve issues, such as grievances, dispute of team financials, disciplinary issues, that at times may not be resolved with the team Head Coach or Team Manager.

Players/Coaches/Parents may request a meeting by e-mailing the General Manager with the details and reason for the request.

Within 7 business days of the initial request, the General Manager will inform all involved of the date, time and place of the meeting.

Details of why the meeting has been requested will be sent to the Resolution Committee to review prior to the meeting date.

The meeting will consist of the individual(s) requesting the meeting and 3 of the committee members.
